

Folding Purses

Our three Folding Purses are too much fun! Choose a design, then stamp it twice, bottom to bottom on your paper. (We mount the rubber die right along the bottom edge of the maple block, so that it is very easy to align your purse bottom to bottom.) Cut out your stamped purse and fold along the bottom edge to close. For a secure closure, add a small piece of velcro to the inside top edge of the purse.

Create handles for the Evening Bag and Handbag with strands of craft pearls, chains, ribbons, and fibers!

Stamp your purse design twice, bottom to bottom.

There are so many ways to use our Folding Purses! Here are just a few ideas:

--Use a purse as a special way to present someone with a gift card! Just use a piece of double-sided tape to secure the card inside the purse.

--Create a unique greeting card and stamp a message inside.

-- Make an invitation for a birthday party, bridal shower, tea, Ladies Night Out, or Red Hat Society event.

--Turn a purse into a fun notepad holder by adhering a pad of sticky notes inside.

--Create a gift bag or party favor bag. Glue the inner side edges of the purse together. Slide a small gift, note, or gift card inside at the top opening.

--Make a purse the focal point of a scrapbook page. Place a photo inside and add journaling.

--Stamp a purse once, cut out, and attach to the front of a card.

Toomuchfun's Mini Purse is simply stamped, cut, and folded. Stamp onto cardstock or patterned paper, then fill with a piece of candy or tiny gift, or use as a gift tag or ornament. It also can be used to accessorize our Folding Shirts!
