

Folding Purses

For an extra-special touch, decorate the inside of your purses with our filler designs! Each of the fillers will fit inside any of the three purse styles. Or, stamp and cut out the individual images from the filler and use them as embellishments. Rest the brush and lipstick in front of your purse or have the dollar bill and credit card stick out from the top of the purse. Create a diaper bag, beach bag, or stamping and scrapping bag with our other fillers.

Our favorite way to make purses is to stamp onto patterned paper or scrapbooking paper. Find papers with florals, stripes, dots, and other prints for fun fashionable purses! For a realistic look, choose papers with a "fabric" or "tapestry" look. Faux suede, faux leather, and mulberry papers look great, too. Purses can also be stamped onto plain cardstock and decorated with other stamped images or stickers.

The Purse Fillers also provide you with a fun collection of images that you can use with other stamping projects. Just ink and stamp the individual parts of a filler that you want to use.

Our Beach Bag Filler, Baby Collection, and Stamping Tools fillers are sized proportionally to be used with our Folding Shirts.
