Folding Shirts

Toomuchfun offers Folding Shirts in twelve different styles! Many of the styles can be adapted to create shirts for recipients of any age or gender, depending upon the paper and embellishments you choose.

See the Gallery section of our website for lots of fun sample ideas!

Although Folding Shirts are very large designs, they stamp well because they are very deeply-etched. Just press the maple block firmly all around the design area to transfer the image completely.

Or place your paper onto a clean floor, place the inked stamp on top, and gently step onto the stamp block.
